Marketing Information

High-functioning, high-back suspension chair features an upscale design and ergonomic support with unparalleled comfort. Tubular framing wrapped in an elastic substructure provides support and is topped with a layer of polyurethane foam. With no traditional seat or backboards used, this chair provides long-lasting supportive comfort. Seat and back are upholstered in fabric. Arms adjust in height. Synchro-tilt lets the back recline at a 2-to-1 ratio to seat angle. Pivot point is located near front edge of chair. Five-star base is equipped with casters for easy chair movement. Weight capacity is 250 lb.

Marketing Information

Task chair features a breathable mesh back and cushioned seat upholstered with fabric that has a carbon fiber patterned finish. With dual-action synchro tilt, the backrest and seat tilt in unison. Back tilts more than seat and is tension-adjustable. Other functions include pneumatic seat-height adjustment from 16-1/2" to 20", 360-degree swivel and tilt tension. The 25-4/5" diameter, five-star nylon base is equipped with 60mm casters. Weight capacity is 250 lb. Fixed arms are made of glass fiber and polypropylene for durability. Seat measures 20-7/10" wide x 19-7/10" deep x 4-1/3" thick. Back size is 20-1/10" wide x 19-7/10" high.

Marketing Information

Ergonomic mid-back chair features adjustable lumbar support, height-adjustable arms, a breathable mesh back and movable cushion seat. The seat-glide mechanism allows the seat cushion to travel forward and back from 17-1/4" to 19-5/8" and then locks into position. Armrests adjust 6" to 9" in height and are covered with polyurethane pads for your comfort. Other functions include 360-degree swivel, tilt, tilt tension, tilt lock and pneumatic seat-height adjustment from 18-5/8" to 23-3/8" high. The 19-3/4" wide seat is upholstered with fabric. Back size is 16-5/8" wide x 16-7/8" high. 27-2/5" diameter five-star base is made of glass-filled nylon and is equipped with 50mm hooded, dual-wheel casters for easy chair movement. Weight capacity is 250 lb.
