

Heritage Days Sponsorship

Each year in June the Huntington Heritage Days Festival takes place and is sponsored by a business from the Huntington community. The business selected for this sponsorship is featured on each piece of information associated with Heritage Days and offers that business a tremendous opportunity to promote itself for approximately the three months prior to Heritage Days.

The sponsoring business reaches over 50,000 people with its name on the official logo; billboards; stationery; brochures; buttons; banners; news releases; and television, newspaper, and radio advertising. The sponsorship is determined by silent auction with a minimum bid of \$1,500. The bids are to be made by written proposal on this form and submitted to the Chamber of Commerce by Friday, February 23, 2018. The highest bidder is considered the sponsor of Heritage Days.

The offered bid by my business to be named the general sponsor is: _____

Name of business to be displayed as sponsor: _____

Authorized by: _____
